SUMMARY OF WARRANTY LIMITATIONS

The provisions of this warranty are not transferable from the original purchaser and are in addition to and not in modification of or subtraction from any applicable statutory warranties, rights or remedies.

Spare parts used in the repair of products are covered by a 12 month warranty and are not covered by the original warranty from date of purchase or installation.

The purchaser is responsible for any freight incurred. *** See Warranty Booklet for Full Terms & Conditions of Warranty ***

This warranty does not cover any failure in service caused by improper installation, or improper operation as a result of noncompliance with the maintenance and installation manual. Nor is any failure as a result of fire, wreckage, freezing, willful abuse, improper repackaging or damage incurred in transportation. Warranty will also not cover consequential damage resulting from any failure in service. Faulty parts will be replaced free of charge, after inspection by our Quality Control Department.
